**PASA**  
PASA is a member of the Powder Actuated Systems Association

TS No. 241 Date 24/9/16

NB  
An individual's competence depends not only upon original training but also upon practical experience in the use of the tool in question. Advice with respect to this is available from the address above.  
SAFETY NOTE: Section 8 Health and Safety at Work Act 1974  
The safety of Hilti DX Tools depends upon their design as a composite system. Therefore for safety's sake, only Fastenings, cartridges and accessories to the same specifications as those produced by Hilti should be used in Hilti tools. Failure to comply with this warning could lead to hazards being created to users of the tool in question.  
Hilti excludes all liability for loss, damage or injury arising from failure to observe these instructions.
